

ALIF COOKING OIL

About The Product

- Derived from the fractionation of superior palm oil
- Naturally cholesterol and trans fat-free
- Rich in Vitamin E (Tocopherol & Tocotrienols) which is a natural antioxidant
- High in monounsaturated fats which help to promote heart health and lower bad cholesterol levels
- Has higher smoke point which makes it suitable for deep-frying
- Has higher resistance towards oxidation which provides longer frying life
- Suitable for repeated frying
- Helps to preserve the freshness of fried foods and snacks
- Ideal for all types of cooking, stir-frying, deep-frying, sautéing, and baking
