

C.B.C. COCONUT OIL

About The Product

- Extracted from the kernel of matured coconuts
- Cholesterol-free
- Has its own nutty flavour and sweet aroma
- Has high medium chain fatty acids which can be easily absorbed into the body and burned quickly for energy. It also increases good cholesterol levels in the blood
- Ideal for all types of cooking, stir-frying, deep-frying, sautéing, and baking
- Suitable for raw materials for margarine fats, shortening fats, and ice-cream fats
- Skin-friendly. Good emollient for skin, scalp, and good anti-aging effects
