

# LEILA PURE GHEE

## About The Product

- Pure milk fat made from pure fresh cream. It has a natural golden yellow colour and is made from only the finest cow's milk
- Does not contain any additives, preservatives or flavours
- It is the perfect high quality fat ingredient which has excellent natural keeping qualities. It gives a natural dairy flavour and creaminess.
- Unlike ordinary butter, LEILA Pure Ghee does not contain any milk solid. Hence, it can be heated to higher temperatures without burning and smoking
- Great digestibility due to its richness in short chain fatty acids
- Gives excellent textures in bakery products such as puff pastries and crisp biscuits
