

Alif Cooking Oil

- Produced from high-quality fractionated palm oil for superior cooking performance.
- Naturally cholesterol-free and trans fat-free for a healthier choice.
- Fortified with Vitamin D3 to support overall well-being.
- A rich source of natural Vitamin E (Tocopherols & Tocotrienols), known for its antioxidant benefits.
- Contains monounsaturated fats that help promote heart health and manage cholesterol levels.
- With a high smoke point, it is ideal for deep-frying and high-heat cooking.
- Resists oxidation effectively, ensuring longer frying life and consistent quality.
- Suitable for repeated use without compromising taste or performance.
- Helps retain the crispness and freshness of fried foods and snacks.
- Versatile for all cooking methods including stir-frying, deep-frying, sautéing, and baking.
