

C.B.C. Coconut Oil

- Extracted from the kernel of matured coconuts.
- Naturally cholesterol-free.
- Rich in medium-chain fatty acids that are easily absorbed and quickly converted into energy.
- Helps boost good cholesterol levels for better heart health.
- Perfect for all cooking styles – ideal for stir-frying, deep-frying, sautéing, and baking.
- Also suitable as a raw material for margarine, shortening, and ice cream fats
- Gentle on skin and scalp – a natural emollient with anti-aging benefits.
